For Margaret

Sarah has arranged six months of daily chinwags for you: a chinwag every day, from DailyChinwag.

> *"Happy Christmas, Mum. Someone to natter with every morning while I'm at work. Love, Sarah x"*

What it is

A friendly companion called Carole rings you on the phone you already have, at a time that suits you, for a proper, unhurried natter. She remembers what you tell her and never rushes you.

How it starts

Nothing happens until you want it to. Whoever helps you with such things goes to dailychinwag.co.uk/gift/redeem and types in the code below. We ring them first to get the details right, then we ring you for a welcome call. If you'd like the chinwags, you say so yourself, and they begin. If you'd rather not, that's the end of it, with no awkwardness.

Your gift code

CHIN-SAMPLE

The code is good until 25 December 2027.

With love, and a cup of tea. DailyChinwag · hello@dailychinwag.co.uk
